

# IMMORTAL INTERNATIONAL SCHOOL

A Venture of "EVER GREEN SR. SEC. SCHOOL" Beriparao

# PROSPECTUS

## MOTTO OF THE SCHOOL

The motto of the school विद्या ददाति विनयम् is to pursue excellence and set pace in the field of school education by making the students acquire knowledge through experience and thus add to wisdom. Also the school will focus to develop the spirit of national integration and create a sense of 'Indian-ness' among children.

## “ Message from Managing Director

Very warm greetings and welcome to Immortal International School, HLD, UK. It gives me a great sense of pleasure and pride to introduce our new and improved educational Institute with latest educational technologies. Your ward will feel the vibrant school life at Immortal International School by taking part in all the spheres of activities which will help in the development of his/her future, as we continue to shape leaders of tomorrow. The school is committed to the promotion of educational and human values. Education should aim at the promotion and development of social, moral and spiritual values. This dream state of affairs can be realized by inculcating in the learners a strong streak of curiosity and voracity to learn. After all as Tagore said “The great task of education is not merely to collect facts, but to know man and to make oneself known to man”. For this we have dedicated and industrious staff which will take proper care in the gentle blossoming of your ward. I look forward for a long, happy and productive association with current and prospective parents.

**L.D. Pathak**  
M.D.

## “ Message from Principal

A New Session always inspires one to look back, to introspect and to relive the glorious past and thereafter improve upon the culture for the betterment of the students.

To perceive things better, we need to culture the behaviour, the attitude and the ability of our young generation. Immortal enriches all areas of his lives, of the dipsites, immediately impacting their studies and preparing them for the challenges in their future professional as well as personal lives, During their course of education in immortal, pupils fully develop their, ability to learn the new, unlearn the wrong and relearn to progress and their true potential with another new session added to its brilliant existence, I welcome the new members to the immortal family.

**Bhawna Pathak**  
Principal

## “ Immortal International School

### A Step Ahead.....

Immortal International School is established in lush green environment of Village - Haripur Bacchi, P.O.- Halduchour, Lalkuan, Nainital, U.K. in India. It is a Co-educational English medium school with all round facilities meeting with the present requirement. Immortal is a new trend in technology, as we provide latest gadgets for curricular and co- curricular activities. Immortal International School is governed by Education Welfare Society, Tularampur, as it is a Venture of Ever Green Sr. Sec. School, Tularampur, Beriparao, a reputed institute of the city.

## “ Mission & Vision

“To infuse its students with high standard of academic, scholarship, veracity, leadership and responsible global citizenship by providing an innocuous, therapeutic environment and by keeping its students abreast with the latest trend of teaching methodologies along with traditional values indispensable for holistic development”.

## “ Aims & Objectives

Primary aim of our school is spontaneous growth and development of individuals- physical, mental, moral, spiritual values and ultimately to form him/ her into a true citizen of the nation. We aim at the all round development of children by developing & adopting English medium language curriculum. We nurture an atmosphere of trust between student, staff, parents and school administration. We aim at the quality of self reliance, mutual help, team spirit, service of general awareness, leadership, character building of the children and propagation of patriotic sentiments.

We, at Immortal International School, Halduchaur stand committed to impart quality education, the holistic development of children and the realization of their potentiality to the maximum.

**We as a team aim to achieve excellence in education by: -**

1. Continually improving our student's performance.
2. Endeavoring to identify and meet the expectations of students, parents and society through regular feedback, review and impel mutation process in order to maximize their satisfaction.

The daily programs are a blend of academic, sporting and co- curricular activities to ensure impartation of comprehensive all round education. This way we aim to achieve the following: -

- \* To make children understand the values of life so that they are able to make right decisions in the coming life.
- \* To inculcate in them the sense of responsibility towards their parents, grandparents, brothers, sisters, friends, neighbours and finally the country as whole.
- \* To train its students in the facts of leadership and responsibility, besides being technologically sharp and scientifically advanced.
- \* To groom its students into honest, disciplined and straight forward citizen of strong character and high principles, possessing a spirit of comradeship and religious tolerance.

Our school always focuses on different aspects of education followed by the activities. It has trained dedicated faculty members. They are the amalgamation of good work, discipline and punctuality. The focus is on the reinforcement and endorsement of a child's capability through many fold activities and learning exercises. Our medium of instruction will be exclusively English which is globally accepted as international language. Our teaching environment is based on love, affection and motherly touch.

## “ School Building

The school is a good lush green peaceful surrounding. It provided well furnished, spacious rooms on twin sharing basis with beautiful lawns and healthy surroundings. The E-learning centre of the school provide required tech- savvy learning through advanced technique. The school provides rooms with suitable indoor games. It is well equipped with modern sanitary arrangements and all other amenities required by the students. A state of the Art Swimming pool will be constructed where all the students will be taught swimming and gradually trained under the guidance of a qualified and experienced swimming coach. In addition to this a modern and advanced gymnasium will be provided to take care of the physical health of the students under the supervision of trained instructors. Basket Ball and Badminton Court is introduced in previous academic session. To facilitate spiritual upliftment of the students, yoga classes, aradhana and pravachans are regularly held inside school campus in the activity hall.
